

## 2015 Annual Ministry Report

*But we continue to preach because we have the same kind of faith the psalmist had when he said, "I believed in God, so I spoke." We know that God, who raised the Lord Jesus, will also raise us with Jesus and present us to himself together with you. All of this is for your benefit. And as God's grace reaches more and more people, there will be great thanksgiving, and God will receive more and more glory. II Cor. 4:13-15*

*Prasada Rao, Evangelists and Bible Ladies would walk many miles from village to village sharing the Good News*

The roots of the IREF ministry come out of the mercy of God reaching out to a small village in India. He touched the life of a school teacher, Prasada Rao, who was so grateful for salvation through Jesus Christ that he set his life on a path to share the Good News with as many people as possible.

The Lord raised up many faithful Evangelists and Bible ladies who shared their faith door-to-door and in small tent meetings. Churches were planted in surrounding villages and the group of believers continued to grow.

In 2015, IREF celebrated 65 years of ministry. We saw the Lord's continued faithfulness and mercy as thousands of people were touched by His love. Today, we continue the work of sharing the love of Jesus through evangelism, taking care of orphans, equipping kids through our schools, and help for the poor.

Our focus on evangelism and church planting is still at core of what we do. The Lord continues to show His love. In 2015, IREF joined with other churches and ministries in the area for a series of massive outreach events. Tens of thousands of people heard the message of Jesus, and many came to faith and were baptised. The work that we do in our orphanages and schools, as well as disaster relief projects demonstrates to the

surrounding communities the love of Jesus. This opens the way for the gospel to be heard.

Your support makes all this possible. We continue to struggle as a relief agency in Europe has decided to pull out of ministries in India. This has left a huge hole in our support for orphans. Continue to pray with us as we ask the Lord to bring new partners to fill the gap.

We are so thankful for your partnership in this vital ministry. Your prayers and financial gifts allow us to continue the work the Lord has called us to. To show his love and compassion and share the Good News of Jesus... until He comes again.
