

PRAYER and PRAISE

- We are truly grateful for the way the Trinity team blessed and served the children of IREF. We praise God for using each member's talents to serve Him faithfully.
- The 2015 US missions team has arrived safely in Repalle. Please pray as they serve at IREF. Please pray that travel complications will be limited and that baggage and medical supplies will reach the IREF campus without tampering.
- Please pray for strength, direction and safety of IREF board members, staff and teams as they prepare to touch lives through the Youth Conference and Gospel Crusades.
- Please pray for the health and well-being of each team member as they teach, preach, pray and serve during the 2015 Youth Conference in Repalle, which will be held Jan.10-14.
- The medical team members will be working with the IREF nursing students and staff to facilitate check-ups on all students, evangelists, Bible ladies and staff members at IREF. Please pray that the clinics will run smoothly and the team will be able to help all in need, effectively and efficiently.
- Please pray all who attend the 2015 Youth Conference. Pray that many will come to know Christ as their personal Lord and Savior.
- The 2015 Gospel Crusades will be held February 4-8. Please pray that IREF will be able to conduct these crusades with no opposition from the government and that many more will come to know Christ.
- Praise God for the 2014 matching grant and the encouragement it has been to IREF leaders to raise funds to replace the lost European funding.

** Please note that your December statement is not final. We will send out a year-end statement that will reflect all up-to-date giving for 2014.*
