

Baptisms at IREF

Most young people, who come to study at IREF colleges are from Hindu backgrounds, and would not have heard the truth of Jesus Christ prior to setting foot on our campus. But here the spiritual atmosphere is deep with offerings of daily devotions, scripture reading, Bible messages and Gospel meetings, which transform many.

Hearing the messages delivered every week at the IREF church, many students repent of their sins and accept Jesus Christ as their personal savior and Lord, and ultimately are baptized.

We thank and glorify the Lord for bringing the unsaved into His embrace to lead true Christian lives. Every week not less than 10 young people get baptized! We praise God for enabling IREF to serve the Lord in extending His Kingdom!

Young students baptized in the Krishna River publically profess new lives in Christ through baptism.

Prayer & Praise

- Please pray for God's continued grace, protection and strength for Emmanuel and Dee Rebba, as well as for all staff and workers of IREF's entire ministry.
- Pray for the pastors, evangelists & Bible ladies preaching God's Word in the villages.
- Pray for the students as they are settling into the new school year and for hearts to be open to the Good News of Christ.
- Praise God for the thousands of viewers who are hearing the Gospel through IREF TV each week.

Jesus Christ Central to All Activity at IREF

Children and the young people in the IREF orphanage homes, schools and hostels are nurtured in a spiritual atmosphere. The good news of Jesus is taught from the very beginning so that they will live practical Christian lives while growing up.

In the early morning, children participate in devotions, followed by singing of holy songs, Bible reading and prayer. The children are taught the meaning of the Bible verses that are read everyday. Also the school/college day commences only after the devotions have been conducted. Again in the evenings there will be devotions in the dorms. It is the goal of IREF that the environment provided for all who attend here be Christ honoring, and academically excellent.

*Dear IREF Family and Friends,
Thank you for your prayers during Emmanuel's recent health concerns. The Lord is merciful and the same yesterday, today and forever. We are grateful...thru all of your support we were able teach IREF students about the power of prayer and the greatness of our God. Please continue to keep Emmanuel, our family and the ministry of IREF in your prayers. With love in Christ, Dee Rebba*
